

St. Augustine's Cemetery

You may have noticed that we have been working on the main entrance of the cemetery. Dead birch trees have been removed; the driveway has been widened and entrance slope decreased; decorative rocks found nearby and a new wall has been installed to both support and make our cemetery more welcoming. The statue of Mary will be moved to her new home, next to the relocated sign. We are now waiting on sod to be placed to finish this project. Thank You to John Murphy Landscaping for their superior work on this project. We have a beautiful cemetery (thanks to our volunteer) and we will continue to keep it that way with updates and ongoing maintenance.

St. Matthew's Worship Site

We are in the process of looking at a way to enhance and to 'make more welcoming' the entrance area of St. Matthew's Worship Site. For many years, this grassed area between the main walkway has been neglected and as it shows. Dead trees and shrubbery need to be removed and the area reworked. We want Holy Spirit Parish to be welcoming at both Worship Sites... our entrances are the first sign of 'welcome'.

Special Thanks to our catechist – for sharing and passing on their faith to our youth. Without Catechist we have no Parish.

In appreciation I would like to thank the people of Holy Spirit Parish – St. Rose of Lima Worship Site for dinner and gift presented to me on the occasion of my retirement as house keeper. I started housekeeping at St. Rose for Fr. Raymond Riley in the 1970s and worked for many priests until my retirement with Fr David. I enjoyed keeping the rectory clean and making many new friends over the years. A special thank you to Fr. David for making my last year so enjoyable.

A heart felt thank you – Gerri Sampson
